Code C

&lt;/&gt; Code

C v Auto

```
1 void merge(int* nu
2     int p1=m-1;
3     int p2=n-1
4     int i= m+n
5     while(p2>=
6     {
7         if(p1>
8         {
9             nu
10        }
11        else
12        {
13            nu
14        }
15    }
16 }
```
